### DONOR STORY: WVfV & Help Our Military Heroes Team Up!

Every once in a while, WVfV helps out a fellow veteran-serving organization with a problem. Recently, WVfV facilitated the transfer of a GMC SUV from the estate of a fallen Marine to a wounded veteran in need. Help Our Military Heroes nonprofit arranged for the vehicle to be donated to Work Vessels for Vets by the father of a fallen hero who wanted the vehicle to go to a fellow Marine in need. So despite complications of dealing with estate & income tax forms, and a flutter of forms for two state Motor Vehicles

Departments, the SUV is now safely in the hands of a Marine coming back from the brink, the family has honored the fallen Marine's final wishes and we are proud to have helped make it all happen. [To Read More Click HERE.](#)
